ICASSSD
International Center for
Applied Systems Science for
Sustainable Development

THIRD RESEARCH SCHOOL ON DYNAMIC SUSTAINABLE SOLUTIONS

CLOSING CEREMONY
6 SEP 2025 (ONLINE)

Meeting ID: 826 8114 0244
Passcode: 357633

Schedule

IST	EST	
7.30pm	***10.00am***	**Welcome Remarks** **Apurva Narayan** Associate Professor, University of Western Ontario
7.35pm	***10.05am***	**Opening Remarks** **Gur Saroop Sood** President, Ra Dha Sva Aa Mi Satsang Sabha, Dayalbagh & Dayalbagh Educational Institute
7.40pm	***10.10am***	**Keynote Address** ***From Submission to Societal Impact: A Guide for Early-Career Researchers*** **Venkatesh Sarvasiddhi** MD, Springer Nature India **Chair: Pami Dua** Member, Economic Advisory Council to the Prime Minister; Senior Professor & Former Director, Delhi School of Economics
8.15pm	***10.45am***	**Special Remarks & Distribution of Certificates** **C. Patvardhan** Director, Dayalbagh Educational Institute
8.20pm	***10.50am***	**Introduction to Student Presentations** **Ashita Allamraju** Research Fellow, University of Toronto
8.25pm	***10.55am***	**Presentation by Group-1** **Circular Economy in the Electronics Sector : A Comparative Analysis of Policyand Practise Between the EU and India** Presenters: Adishree Jain, Saanvi Thapar, Shuchismita Adhikari, Zaida Hadi

Schedule

IST	EST	
		Expert Panel: **Pami Dua** Member, Economic Advisory Council to the Prime Minister; Senior Professor & Former Director, Delhi School of Economics **Sarup Rani Mathur** Dean's Fellow & Professor, Arizona State University **Srinivas Chary Vedala** Former Professor and Director, Administrative Staff College of India
8.40pm	*11.10am*	**Presentation by Group -2** **System Dynamics Modelling of Data Center Emissions: Evidence from Nordic and North American Markets** Presenters: Sean Hansed, Jack o'Grady, Pragyan Nandan Pandey, Noah Williams **Expert Panel:** **Aatmesh Srivastava** Associate Professor, Northeastern University **Prem Sudhish** Associate Professor, Dayalbagh Educational Institute
8.55pm	*11.25am*	**Presentation by Group -3** **A Qualitative Framework for Agro-PV Adoption in India: A System Dynamics Study** Presenters Chunendra Kumar, Bhakti Prasad, Aarchi P Kothari, Mohammad Usaid, Ankush Halba **Expert Panel:** **Anurag Murty** Assistant Professor, University of Manitoba **D. Bhagwan Das** Professor, Dayalbagh Educational Institute

Schedule

IST	EST	
9.10pm	*11.40am*	**Presentation by Group -4** **How Missing Medication Data Contributes to Bias in Alzheimer's Disease Machine Learning Models** Presenters: Earlel Thiyagaratnam, Hawwa Khan **Expert Panel:** **Runjhun Saran Narayan** Cofounder & CEO, MOLwise Bioscience **Prem Sudhish** Associate Professor, Dayalbagh Educational Institute
9.25pm	*11.55pm*	**Vote of Thanks** **Usha Sharma** Director, ICASSSD

Our Panelists

Gur Saroop Sood

President, Ra Dha Sva Aa Mi Satsang Sabha, Dayalbagh & Dayalbagh Educational Institute

Sh. Gur Saroop Sood began his career as a Reservoir Engineer at ONGC, later serving as Hydrogeologist in Trivandrum and Jaipur. He stood second in the All India Geologists' Exam (UPSC) before joining the Indian Defence Accounts Service in 1982. During his career, he developed and implemented the computerized PBORs Pay System for over a million soldiers, managed defence budgets, improved Defence Procurement Procedures, and held key roles including Controller Defence Accounts, Principal Controller (Western Command), Director at NIFM, and CMD of NSTFDC—earning a Gold Trophy and Citation from the President of India.

He has represented India internationally, attending programs at Harvard, NDU Washington DC, and DAU Monterey, among others. Currently, he serves as President of Radhasoami Satsang Sabha and DEI, and holds leadership roles in cooperative banking and civil services training. A national trainer in Ethics, he has authored research papers on Defence Finance, Ethics, and Consciousness.

Venkatesh Sarvasiddhi

Managing Director,
Springer Nature India Limited

Venkatesh Sarvasiddhi is currently working with **Springer Nature India Limited** as **Managing Director** and **Board Member**, leading the overall India business operations, driving public policy, advocacy, outreach, partnering with state & central government and strengthening and empowering science and research in India with special focus on Sustainability Development Goals aligning with environment, green energy & climate policy.

Previously, he led **Digital Skills, Innovation, Industry Partnerships & CSR at the National Skills Development Corporation (NSDC)**, shaping India's skilling policies, and served as Head of multiple **Sector Skills Councils** (Manufacturing, Logistics & Supply Chain, Healthcare).

Earlier, he was **Director, Innovation at Deloitte**, driving digital transformation for Fortune 500 firms, and spent a decade at **Microsoft** leading developer ecosystem, academia, startups, and Innovation Centers.

He holds degrees from **Dayalbagh (B.E.), BITS Pilani (M.Sc.), IIM Calcutta, Kellogg (Executive Marketing)**, and is a **Chevening Gurukul Fellow at King's College London**.

Recognized as the **youngest AVP in Corporate India** (Business India, 2008) and a **CNBC Young Turk** (2017), he has won several national and international awards, including the **Yuva Unstoppable Award (2015), World Education Award (2012), IIT Kanpur Young Gun Award (2008)**, and **Govt. of India honors** for disaster management and governance.

Pami Dua

Former Director,
Delhi School of Economics

Pami Dua is Member (Part-time) of the Economic Advisory Council to the Prime Minister, Senior Professor of Economics and Former Director of the Delhi School of Economics. She is a Distinguished Fellow of the Research and Information System for Developing Countries (RIS), New Delhi and also a member of the Governing Body of the Dayalbagh Educational Institute (Agra). She has also been serving as a Senior Research Fellow with the Economic Cycle Research Institute (ECRI) in New York.

She earlier served the University of Delhi in various capacities including Dean of Academic Activities and Projects; Chairperson, Research Council and Dean Research of Humanities and Social Sciences.

She was a member of the first Monetary Policy Committee of the Reserve Bank of India (2016-2020). She has served as Co-Chair of the Task Force on Macroeconomics, Trade and Livelihoods under Think20 (T20) / G20, India, 2023.

She has published widely in time series econometrics, forecasting, macroeconometrics, monetary policy, business cycle analysis and sustainable development.

She has been conferred with many awards such as the Nishtha Dhriti Satyam Samman by the University of Delhi, for exemplary contribution to the development of the University and adherence to its ideals, values and principles, the Distinguished Alumni Award from Lady Shri Ram College and the National Systems Gold Medal by the Systems Society of India for her outstanding contributions in the area of Economics and Social Sciences.

C. Patvardhan

Director, Dayalbagh Educational Institute (DEI)

C. Patvardhan, is a Professor in Electrical Engineering Department with more than 33 years of experience in teaching and research. He secured IIT JEE AIR 215 and Roorkee AIR 43, he chose to pursue BSc (Engg) from DEI which he completed in 1987. He obtained ME (Comp. Sc. and Engg.) from IISc, Bangalore (1989) and PhD from DEI (1994). He is currently the Head, Electrical Engineering and Dean, Faculty of Engineering. He is also currently serving as Dean, ICT Centre, Bangalore and Dean, ICT Centre, MTV Puram and Dean, PG and Research of the Institute.

Sarup Rani Mathur

Dean's Fellow & Professor, Arizona State University

Sarup R. Mathur is the Ryan C. Harris Professor of Special Education in the Division of Educational Leadership and Innovation. She is nationally recognized for her work in the field of emotional and behavioral disorders.

Professor Mathur has been the coeditor of the special issue of Education and Treatment of Children on Severe Behavior Disorders of Children and Youth for over 20 years. She has authored/co-authored numerous articles on topics related to professional development of teachers, effective strategies for children with emotional and behavioral disorders, and transition and re-entry of juvenile offenders.

Professor Mathur is a former secretary and president of the Council for Children with Behavioral Disorders and the past president of Teacher Educators for Children with Behavioral Disorders. She has also been an associate director of the National Center of Education, Disability, and Juvenile Justice. She was a co-PI for the In-STEP program funded by USAID that focused on providing professional learning experiences to visiting scholars from India who were enrolled in a 3-month residency program in the Teachers College.

V. Srinivas Chary

Former Professor and Director, Administrative Staff College of India

V. Srinivas Chary is a public health engineer and environmental planner with over three decades of leadership in water, sanitation, and urban infrastructure. He served as Professor and Director of the Centre for Environment, Urban Governance and Infrastructure at the Administrative Staff College of India (ASCI) and led its Ministry of Housing and Urban Affairs–designated Centre of Excellence in Urban Management.

He is the founding CEO of the WASH Innovation Hub, fostering climate-resilient and circular economy solutions through MSMEs and startups. His expertise spans policy advisory, institutional reform, capacity development, and monitoring and evaluation frameworks for national, state, and city governments. Prof. Chary has directed 350+ projects on urban development, sanitation, water efficiency, and climate resilience, and advised leading international agencies including the World Bank, UNICEF, GIZ, USAID, and the Gates Foundation.

He has contributed to policymaking as a member of NITI Aayog and national committees on water, sanitation, and urban transformation. Recipient of the UN-Water 'Water for Life' Award and an Ashoka Fellow, he co-instituted the National Urban Water Awards and led the Urban Learning Network.

Aatmesh Srivastava

Associate Professor,
Northeastern University

Aatmesh Shrivastava received his Ph.D. from the University of Virginia in 2014. Before his doctorate, he worked as a senior design engineer at Texas Instruments, Bangalore (2006–2010). From 2014 to 2016, he was senior design director at Everactive, an IoT start-up, where he led R&D on energy harvesting and power management solutions. In August 2016, he joined Northeastern University, where he is now Associate Professor in the Electrical and Computer Engineering Department.

His research focuses on self-powered and ultra-low-power circuits and systems, energy-harvesting and power-first architectures, analog computing, internet-of-things (IoT), ultra-low-power biomedical and neural circuits, exa-scale computing, and hardware security.

He served as Associate Editor for IEEE Transactions on Circuits and Systems Part I (2023–2024) and currently serves as Associate Editor for IEEE Open Journal on Circuits and Systems (OJCAS), Senior Editor for IEEE Journal on Emerging and Selected Topics in Circuits and Systems (JETCAS), and Chair of the CAS Analog Signal Processing Technical Committee. His awards include the DARPA Director's Fellowship (2025), DARPA Young Faculty Award (2023), NSF CAREER Award (2022), Acorn Innovation Award (2021), and Northeastern's Faculty Fellow Award (2024).

Prem Sewak Sudhish

Associate Professor,
Dayalbagh Educational Institute

Prem Sewak Sudhish is Professor of Computer Science at Dayalbagh Educational Institute with over twenty-five years of experience in teaching, research, and academic administration, following a successful stint as a Silicon Valley entrepreneur. He earned his B.S. in Electrical Engineering with distinction from Dayalbagh Educational Institute, an M.S. in Electrical Engineering from Stanford University, and a Ph.D. through a collaborative arrangement with Michigan State University.

His research spans biometrics, cryptographic security, frugal innovation, identity systems, and machine consciousness. He has contributed to major national initiatives, including Aadhaar, the CodeIndia program of the Principal Scientific Adviser to the Government of India, and projects under the National Mission on Education through Information and Communication Technology.

Dr. Sudhish coordinates international collaborations with the University of Edinburgh (UK), the University of Waterloo (Canada), and Michigan State University (USA). He received the Systems Society of India's Varshney Award for outstanding contributions in systems science applications to computing and information technology. A strong advocate for democratizing education through technology, he is a Life Member of ISTE and SSI, and a Senior Member of IEEE.

Anurag Murty

Assistant Professor,
University of Manitoba

Anurag Murty Naredla is an Assistant Professor of Computer Science at the University of Manitoba. He received his P,h.D. in computational geometry from the University of Waterloo under the supervision of Prof. Anna Lubiw, where he was awarded the David R. Cheriton Graduate Scholarship and the Dr. Derick Wood Graduate Scholarship in Computer Science. He subsequently held a postdoctoral position with Prof. Heiko Röglin at the University of Bonn, Germany.
His research interests include algorithms and data structures for optimization and computational geometry, with contributions to facility location, geodesy, and clustering, as well as the role of learning-based methods in discrete mathematics. Before pursuing his Ph.D., he worked as a systems software engineer at Nvidia Graphics. He completed his Master's in Computational Science at the Indian Institute of Science (IISc), Bangalore, and his Bachelor's in Electrical Engineering at Dayalbagh Educational Institute.

D Bhagwan Das

Professor,
Dayalbagh Educational Institute

D. Bhagwan Das earned his B.Sc. (Engineering) in Electrical Engineering from Dayalbagh Educational Institute (1990), M.Tech. in Power Systems from IIT Delhi (1992), and Ph.D. in Electrical Engineering (Soft Computing Applications in Power System Optimization) from D.E.I. (1999). He joined the Department of Electrical Engineering at D.E.I. in 1992 and became Professor in 2012.

His research focuses on smart renewable energy microgrids, agrivoltaics, embedded systems, FPGAs/SoC applications in power systems, and soft computing. He coordinated the design and commissioning of 850 kWp distributed solar power plants at D.E.I. and led several R&D projects funded by DST Mission Innovation, AICTE, and UGC. He also completed consultancy projects with ReNew on a 35 MW wind-solar hybrid power plant controller (2024) and with BHEL on a sun-tracking elevated agrivoltaic structure (2016).

Dr. Das has received the AK Sinha Memorial Prize (1992), ISCA Young Scientist Award (2002), and SSI Varshney Award (2016). He holds two patents, numerous publications, and co-authored two G20 policy briefs. He serves on DST's Core Expert Panel on Solar Energy R&D, BIS's Agrivoltaics Working Group, is Vice-President of the Systems Society of India, and a Senior Member of IEEE.

Runjhun Saran Narayan

Cofounder & CEO, MOLwise Bioscience

Runjhun Saran Narayan is a researcher, educator, and entrepreneur with 15+ years of experience in DNA nanotechnology, biotechnology, biosensors, and applied AI. She holds a Ph.D. in Bio-Nanotechnology from the University of Waterloo and completed postdoctoral research at the University of British Columbia.

She is Cofounder and CEO of MOLwise Biosciences, a biotech venture developing AI-guided functional nucleic acids for next-generation biosensors in healthcare, sustainability, and biosecurity. She also serves as Scientific Advisor at the International Center for Applied Systems Science for Sustainable Development, and as Adjunct Professor at UBC and the University of Waterloo.

An accomplished mentor and educator, Dr. Narayan has guided students at all levels and designed courses in biotechnology and nucleic acid science, advancing bioengineering solutions for global health and sustainability.

Usha Sharma

Director, ICASSSD

Usha Sharma is the Director of ICASSSD, deeply engaged in advancing initiatives that promote service, learning, and community development. She is an alumna of Dayalbagh Educational Institute (DEI) and holds a Post Graduate Diploma in Theology. She also earned an Associate Degree in Applied Sciences from Northern Virginia Community College.

An active member of the Dayalbagh Radhasoami Satsang Association of North America, Toronto Chapter, Usha strongly believes in giving back to the community through dedicated service.
